

The United States Attorney for the Western District of Michigan reminds the bankruptcy bar that 11 U.S.C. 2002(j)(4) requires that the United States Attorney's Office be served with copies of notices (in addition to the notices sent to the appropriate federal agencies) in cases where all debts (other than for taxes) are due and owing to the United States. This includes both notices of the initiation of cases and notices in all contested matters. The notices should be sent to:

United States Attorney's Office
Western District of Michigan
Bankruptcy Section
P.O. Box 208
Grand Rapids, MI 49501-0208

Clear identification on the face of the notice of the federal agency involved expedites the processing of the notices. Providing notice to the United States Attorney in cases involving taxes is also strongly encouraged. Donna Justice, Paralegal Specialist, is the contact person for all bankruptcy cases in the United States Attorney's Office. She may be contacted at (616) 456-2404.
