

SAVE THE DATE

In light of the uncertainty created by COVID-19, The Federal Bar Association for the Western District of Michigan – Bankruptcy Section will not be holding its annual seminar at Boyne Mountain as originally planned.

Instead, the seminar will be offered as a one-day seminar on **Monday, September 14, 2020 at the Eberhard Center at Grand Valley State University in Grand Rapids.**

The seminar will still feature the same high-quality educational program you have come to expect with leading professionals and bankruptcy judges from throughout Michigan speaking on a variety of consumer and commercial insolvency topics.

We hope you can join us.
