

UNITED STATES BANKRUPTCY COURT
FOR THE WESTERN DISTRICT OF MICHIGAN

In re:

REVOCATION OF ADMINISTRATIVE ORDER
ORDER 2026-7 REGARDING SERVICE OF
CHAPTER 13 PLANS.

Administrative Order No. 2026-8

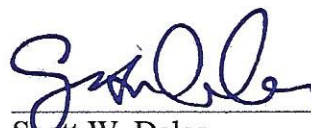

On October 18, 2026, in response to a service interruption affecting the Bankruptcy Noticing Center ("BNC"), the Court issued Administrative Order 2026-7 which temporarily shifted the onus of serving chapter 13 plans filed by represented debtors with their petitions. The BNC returned to normal service on the afternoon of October 26, 2026.

The court thanks the debtors' bar for its cooperation and understanding during the interruption.

It is therefore **ORDERED** that:

1. Administrative Order 2026-7 is revoked effective immediately.
2. For cases filed on or after Monday, October 26, 2026, service of the Chapter 13 plan shall be made pursuant to Fed. R. Bankr. P. 3015(d) and Local Bankruptcy Rule 3015(a). The Court will serve the original plan only if it is filed with the petition and mailing matrix.
3. Access to the mailing matrix has been restored.
