Sponsored by the Association of Bankruptcy Judicial Assistants

The Association of Bankruptcy Judicial Assistants ("ABJA") is a national organization. Since 1989, our primary objective has been the development of educational programs for our members. Those members include Judicial Assistants holding appointments by United States Bankruptcy Judges and Certified Bankruptcy Assistants ("CBAs") who are eligible as associate members.

Bankruptcy law is ever changing. Work in this field is becoming increasingly sophisticated and technical, which requires a high degree of knowledge and expertise. Our Continuing Legal Education Committee recognized the necessity for professional development and created the CBA Program to promote and maintain these professional standards.

The CBA Program offers judicial assistants, Clerk's Office staff, paralegals, and legal assistants the opportunity to become certified as an assistant in this highly specialized area of law. Annually, we offer a two-day program that is taught by Federal Bankruptcy Judges, attorneys specializing in bankruptcy, university faculty, and other professionals.
