AND SYMPOSIUM

SHAPERO VIRTUAL

Join ABI and the committee of The Walter Shapero Bankruptcy Symposium for an educational session following the third annual Shapero Cup Moot Court Competition. The symposium will feature a demonstration of the arguments by seasoned attorneys on the same Duberstein fact pattern the teams argued earlier in the day. Then stay for a virtual reception and awards ceremony to congratulate the participating teams and network with your colleagues. **Due to the pandemic, the 2021 Shapero Cup Moot Court competition, the Shapero Symposium demonstration argument, and the reception will all take place via Zoom and are free to attend.**
