

**UNITED STATES BANKRUPTCY COURT
FOR THE WESTERN DISTRICT OF MICHIGAN**

In the Matter of:

CASE MANAGEMENT/
ELECTRONIC CASE FILING

ADMINISTRATIVE ORDER 2004-04
(Revision to Local Rules)

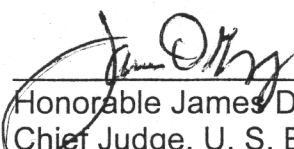

To further enhance the court's conversion from paper files to electronic files the court has reviewed the existing local bankruptcy rules dated February 1, 2002, and has decided to make changes.

Accordingly, IT IS ORDERED that Local Bankruptcy Rules 2014(a)(7), 2016(a)(6), 3015(f)(2) and 9013(d)(3) are amended to strike existing language which requires the filing of an affidavit ("an affidavit that no objection has been filed" and "an affidavit of no response") and replace that language with the requirement of filing "a certificate stating that no timely response or request for hearing has been filed."

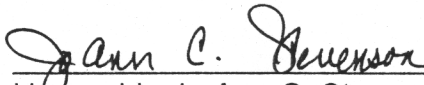

These revisions shall take effect immediately to insure the efficient transition into electronic case filing. The clerk is directed to post this order on the bulletin board of the clerk's office and on the court's web site with a request for public comment, if any, to be filed with the court on or before July 1, 2004.

IT IS SO ORDERED.

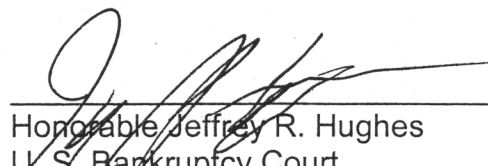

Dated: APR 29 2004
